

# BRANDON SCHOLTEN

bscholte@kent.edu | 740-802-5070

## Experience

### ***Tech Help Service and Repair Center / August 2022 – present***

- Help users on the Kent Campus troubleshoot their personal and University-Owned devices.
- Work with a ticketing system to maintain documentation on repairs and handle user inquiries.
- Requires the application of customer service skills and technical knowledge to solve problems.

### ***Internship at River Valley Local Schools / September – October 2021***

- Helped manage a backlog of student Chromebooks which needed to be cleaned, tested, and put back into circulation.
- Developed a web application to test the microphone, speakers, keyboard, and camera of each Chromebook. This application ran faster than the previous web application and saved our team time.

- Bootstrap

## Volunteering and Leadership

### ***Phi Theta Kappa / Regional Officer: Western District Representative***

In this role I helped facilitate communication between Phi Theta Kappa chapters in the Western district of Ohio and the Regional coordinator. In my chapter I have helped increase productivity by implementing Trello into our workflow.

### ***Eagle Scout Project / Pergola Bench Swing at DeCliff Trailhead***

I have finished my eagle project for the Marion County Park District. I achieved the rank of Eagle in October of 2021.
